

Evening Programs

We are aware issues have arisen concerning the post plenary question and answer (Q&A) period. This year, Monday, Thursday and Friday we will distribute cards upon which Friends may write questions. The cards will be reviewed by a diverse team of 3 Friends and questions passed onto the speaker. On Tuesday evening, we will breakout into 3 smaller groups for an intimate conversation with one of our three speakers. On Wednesday our intergenerational storyteller will ask for questions from young Friends. There will be other opportunities for adults to spend time with La’Ron Williams.
