2019 FGC Gathering

and community for all ages.

June 30 to July 6, 2019

Discussion of Tuesday's Plenary

If you are a White Friend who wants to talk about and process last night's plenary, please find another White Friend to do this processing with. Friends of Color here have their own spiritual work to do.

Practicing Acts of Kindness

Friends have been observed treating Grinnell dining room staff disrespectfully. We ask Friends to practice acts of kindness, particularly for those, young and older, who are preparing our meals.
